All students are expected to do the given homework and log in their diaries. We may refuse participation if the homework is not done.

Please see the minimum expected practice time, in addition to the class days:

Primary: 10 minutes of practice 2 days each week

Grade 1: 10 minutes of practice 3 days each week

Grade 2: 15 minutes practice 2/3 days each week

Grade 3: 20 minutes practice 3/4 days each week

Grade 4: 20 minutes practice 2/3 days each week and 2 classes

Grade 5: 20 minutes practice 3/4 days each week and 2 classes

Grade 6: 20 minutes practice 4 days each week and 2/3 classes

Dress code

We would like students to wear simple cotton churider/salwar/legging and kurta in classes. However, primary children may be allowed to wear legging and long t-shirt in the beginning only. Jumpers/sweaters are to be buttoned, zipped or tied while dancing. Hair should be tied neatly and only small jewellery are allowed.

Please note that the students may be refused participation in a class if not appropriately dressed. All students should wear socks; specially in the winter months.

Preparation for class

Students should have a good breakfast or light snacks (for evening classes) and drink at least 2 large glasses of water before class. All students should carry water, a note book and pen/pencil, file and ghungroos to class.

Exams and Performances:

We are an ISTD approved school and hold Grade exams once a year. Please note that one year (2/3 terms) is never enough to prepare for any grade exams satisfactorily hence we take the final decision on who may be entered for exams.

We create opportunities for students to perform, provided they attend rehearsals and treat it respectfully.

Fees

All fees should be paid before the beginning of the term and all are expected to read term letter thoroughly and keep a note of dates.

Communication:

We have whatsapp groups for each class where only class related information and homework is to be shared. We send term letter and other dance related information by emails.
